

## JANAMASHTAMI CELEBRATION

The toddlers of The Umed International School celebrated Janmashthami on 31st August 2018, to mark the birth ceremony of Lord Krishna who is an incarnation of Lord Vishnu illustrating the fact that HE will reincarnate whenever there will be dominance of malevolence. It was nonetheless brought to life when two students delivered their speeches elaborating the story of this divine birth and his 'leelas' followed by a procession with the idols of Radha and Krishna in a well crafted palanquin and renting the air with the cosmic catchword 'Hathi ghora palki Jai Kanhaiya lal ki'. The programme came to a close with a scintillating dance performance by the students of class UKG and couple of group songs devoted to the deity. The school building reverberated with life with the gibbering of the preprimary children all decked up as Radha and Krishna.
