

MAGIC SHOW

A Magic Show was organised in the school premises for the students and staff on 27th April 2018. The magician showed his impressive skill and kids were swayed by his tricks. He gulped a coin and took it out from one of the students' shirt who was seated amongst the audience, then he took two wooden rods and matched them like they are one.

The kids were very excited and curious about his further tricks. The young children encouraged the trickster with rounds of applause. He had children laughing and gasping in wonder at his tricks. However, he also gave a word of caution to the students no to try the tricks at home. There were plenty of engaging tricks that he performed one after the other All present there enjoyed the show to the fullest. The Principal and the Vice Principal promised more of such entertaining and recreational shows for the Ummedites
