

TEXTILE WORKSHOP

A workshop on textile designing was conducted in The Ummed international School, Abu Road from 22nd October to 30th October 2018 under the able guidance of Mr Mithun Das as expert in the same field from Visva-Bharati University, Santiniketan in West Bengal.

Students of classes III to VII took part in the workshop. Mr. Das taught them the techniques of designing with precision Kalamkari, Bandhni and Baatik which are indigenous and creative in nature. Das's remarkable acumen in the field helped the students to grasp things in a short span of time and on the last day of the workshop the students displayed handkerchiefs, cushion covers and duppatas designed by them.

It was a novelty in itself and children had a wonderful learning experience.
